Forecast for Saturday 10 Jul 2021

Weather: Dry for most of the morning with some occasional brightness. Heavy showers with a risk of thunder will break out from late morning onwards, these showers slow moving at times. Western fells tending to become drier later. Rather warm and humid.

Chance of cloud free mountain/hill tops above 800m: 80%

Visibility: Generally good, but occasionally poor above 800 metres in cloud, especially around showers at first.
